About McKesson

McKesson Corporation, currently ranked 5th on the FORTUNE 500, is a global leader in healthcare supply chain management solutions, retail pharmacy, community oncology and specialty care, and healthcare information technology. McKesson partners with pharmaceutical manufacturers, providers, pharmacies, governments and other organizations in healthcare to help provide the right medicines, medical products and healthcare services to the right patients at the right time, safely and cost-effectively. United by our ICARE shared principles, our employees work every day to innovate and deliver opportunities that make our customers and partners more successful — all for the better health of patients. McKesson has been named the “Most Admired Company” in the healthcare wholesaler category by FORTUNE, a “Best Place to Work” by the Human Rights Campaign Foundation, and a top military-friendly company by Military Friendly. For more information, visit www.mckesson.com.

Thanks Burt. I would keep this tightly focused on policy solutions and not wade into any litigation-related matters. This especially given today's joint CEO letter from retail chains, PBMs and payers. Thx

Subject: Brain Storming Session

I would like to invite you to our office at 1001 Penna. Ave. NW, 13th Floor North at 2:30 PM on Monday the November 13th.

I will allocate the time from 2:30 to 4 for brainstorming to determine if there is anything the Washington Offices may be able to do from a public policy perspective to better educate, or impact Washington policy makers thinking with respect to the litigation brought by plaintiff's lawyers and states, cities, counties, and municipalities against the opioid supply chain.

Please let me know if you can participate, and feel free to invite your colleagues or any consultants you may wish to bring.

Many thanks
Burt
